

My CIDP Care Team: Contact Information

It's great having a team to help you on the CIDP (chronic inflammatory demyelinating polyneuropathy) journey, but keeping track of all their contact information may be overwhelming. Fill out this contact card to have all your care team members' info in one place—from neurologist to therapist to trusted family members. Consider this your CIDP-team roster.

Name	CIDP Care Team Role	Phone Number	Email	Address	Notes
